A ROOM DRESSED TO IMPRESS:

Conference Suite 2 is a flexible space perfect for more intimate gatherings, with space to cater for up to 620 guests for a dinner and 500 for a dinner dance. The room can also be divided to cater for smaller numbers, perfect for dinners of 280 or dinner dances of around 200. The space is ideal to make your vision come to life, with state-of-the-art technology including a theatrical ceiling with integrated ambient lighting. Our dedicated team of experts ranging from AV, in-house catering and experienced event managers are all on-hand to ensure your event runs seamlessly and has the wow-factor!

WHAT OUR CLIENTS SAY

We TRUST the P&J Live Team to look after our guests from arrival, to having that "Wow" entrance, to the actual food presentation and delivery, to the amazing lighting and sound packages helping us make the event "feel" right. We know that they will deliver exactly what is needed. If they didn't, we wouldn't keep going back – it is that simple.

Susan Crighton, Director of Fundraising – Charlie House
