A ROOM DRESSED TO IMPRESS

Hall C is the perfect choice for large-scale celebrations with a banqueting capacity of over 1,200. This large space instantly provides ambience and makes it easy to create the wow-factor that all organisers desire. An ideal space for banquets from 600, a dedicated black tie entrance way allows for a private entrance for your guests. An abundance of pre-rigged lighting is at your disposal. From helicopters to a circus feature – Hall C has the capacity to bring your theme to life. Featuring the latest technology including show-stopping LED lights, a dressed ceiling and a dedicated team of experienced catering, event and technology experts, the sky really is your limit!

WHAT OUR CLIENTS SAY

We TRUST the P&J Live Team to look after our guests from arrival, to having that "Wow" entrance, to the actual food presentation and delivery, to the amazing lighting and sound packages helping us make the event "feel" right. We know that they will deliver exactly what is needed. If they didn't, we wouldn't keep going back – it is that simple.
